Re: ACT/015/016

Dear Mr. Gauthier:

We have received two (2) mine maps from Ken May. These maps along with your Mining and Reclamation Plan now in our files finally give us the opportunity to meet with you at the mine and work out the bugs in the plan as filed. We are presently looking at a meeting date of Feb. 28 or 29 and will get back to you to firm up the time.

Sincerely,

BRIAN W. BUCK  
ENGINEERING GEOLOGIST
